Kelly Whittaker's (Central Yorke School) Chaplaincy report submitted to Inter-Church Council on 7th May

Term 2 is now underway with a full program of learning and extra curricula activities.

It was great to see many of our students out in the community over their holidays, including on Anzac day. Our YP schools concert band performed at Maitland as usual and SRC reps attended to donate books, while others came with their parents/ caregivers.

Within the school we have many things coming up, such as sporting events, excursions and there always seems to be fun activities implemented in the students learning.

Thank you to the ICC for their donation towards school camps. This has been greatly appreciated by our school community and supported some students to go on work experience camp happening this week.

This term, more of my SSO hours have been directed toward wellbeing, which will go hand in hand well with my PCW role. I also continue to work amongst the school sport aswell.

I will be reintroducing guitar group in a break time, aswell as other lunch time activities in conjunction with the wellbeing leader.

Listed below, are ongoing services offered within my role;

- Facilitating breakfast Club Monday through Friday
- One on one or group check-in's with students – Promote positive wellbeing
